

David Hall Hypnotist – Show Introduction Instructions

Overview:

David uses a **pre-recorded audio intro** with dynamic music and voiceover that introduces him by name as he walks on stage.

What We Need From You:

Just someone to welcome the crowd and set the tone for the show. After the welcome, they should say the following line:

"Get ready to laugh, be amazed, and have some fun... it's showtime!"

Once that line is delivered, **David will personally trigger the pre-recorded audio**, and the show begins.
